Group Fitness Classes held at the Noosa Leisure Centre

Circuit Combo: Circuit session combining cardio exercises with resistance training using body weight, medicine balls, thera-bands, free weights and fitballs for a fun, high intensity workout to kick-start your day.

Core Fitness: A variety of cardio and strength building workouts focussing on improving core strength and flexibility.

Power Bar: This class ensures your whole body receives a fantastic strength conditioning workout top to toe! A fully choreographed resistance workout to music using a barbell and weights. Power Bar is excellent for osteoporosis prevention, weight management and for increasing muscle strength and metabolic rate.

Boxfit: An empowering workout combining drills and skills from boxing and martial arts – great for relieving stress and improving fitness.

Core Foundation: This class focuses on building up the pelvic floor, abdominals and glute muscles as well as stabilising your spine and joints in order for you to move on to a more advanced program. It is a progressive class based on your own strength and fitness level with both cardio and resistance training exercises included in each class.

Let's Dance: Using a variety of dancing styles to a wide range of hit songs from many genres of music including Latin, Pop, Swing-Jazz, Hip-Hop and World Music. A perfect class for those who love to have fun whilst enjoying music and dance.

Fitness Pilates: An hour of movement and stretching to build and strengthen core muscles.

Zumba: The Zumba program fuses hypnotic Latin rhythms and easy-to-follow moves to create a unique fitness program. Experience an absolute blast in one exciting hour of calorie-burning and body-energizing movements.

Body Blitz: A body conditioning class that aims to challenge you! Lots of variety to strengthen your muscles and your core. Incorporating a variety of equipment including weighted bars, dumbbells, bands, balls and gliders, this class will work your entire body.

Yoga: Explore the dynamics of a yoga practise that enhances the proper functioning of the endocrine (hormone producing) system. Health, strength and vitality will be natural by-products of our dynamic but sensitive work.
