Group Fitness Classes held at the Noosa Leisure Centre

= Child Friendly Class

Boxfit: An empowering workout combining drills and skills from boxing and martial arts – great for relieving stress and improving fitness.

Circuit Combo: Circuit session combining cardio exercises with resistance training using body weight, medicine balls, thera-bands, free weights and fitballs for a fun, high intensity workout to kick-start your day.

Core Fitness: Core fitness is a low impact class that challenges and strengthens the muscles of the core. It is designed to develop control and stability in the lower back, hips, abdomen and pelvis. Core fitness is a Pilates style class that builds on movements to challenge participants whilst still offering the option to modify the class depending on their experience and ability.

Core Foundation: This class focuses on building up the pelvic floor, abdominals and glute muscles as well as stabilising your spine and joints in order for you to move on to a more advanced program. It is a progressive class based on your own strength and fitness level with both cardio and resistance training exercises included in each class.

Dance Workout: A fun cardio workout to a range of music with a range of low to high impact moves. Dance to a fusion of pop, hip hop, latin and bollywood styles with Sarah.

Fitness Pilates: A modern Pilates class that incorporates the physio balls and various other equipment to strengthen and tone the entire body. Breath and technique are a focus in developing good postural foundations to engage the muscles and improve mobility and body control.

Let's Dance: Using a variety of dancing styles to a wide range of hit songs from many genres of music including Latin, Pop, Swing-Jazz, Hip-Hop and World Music. A perfect class for those who love to have fun whilst enjoying music and dance.

Mums & Bubs Pilates: Suitable for mums who have completed a post-partum return to exercise program and want to continue to build strength, stamina, tone to keep up with the demands of a growing babe.

Post Natal Pilates: A specially designed workout for women postpartum. This safe yet effective workout helps target deep abdominal muscle activation whilst focusing on whole body strengthening. Bring your bub along and you can incorporate them into some of the exercises or have them safely next to you.

Power Bar: This class ensures your whole body receives a fantastic strength conditioning workout top to toe! A fully choreographed resistance workout to music using a barbell and weights. Power Bar is excellent for osteoporosis prevention, weight management and for increasing muscle strength and metabolic rate.

Soulfit Dance: An accessible cardio dance class for all fitness levels that incorporates modalities such as latin, hip hop, burlesque, Bollywood and freedance. Beginners and veterans of dance would enjoy this class as it's easy to catch onto but also has room for lots of free movement/styling for intermediate/advanced dancers.

Yoga: Yoga postures are practised to align, strengthen and promote flexibility in the body. Breathing techniques and meditation are also integrated.

Zumba: is an interval workout. The classes move between high- and low-intensity dance moves designed to get your heart rate up and boost cardio endurance.
